The [Vorgee](#) Endurance 1000 program has replaced the Aerobics program which was launched as a national event over 20 years ago. The program is designed to encourage people to compete in distances from 400 metres to 60 minutes duration in a variety of strokes.

Now that the open water swimming season has concluded we will be commencing our Endurance 1000 swimming program at the Darling Range Sports College pool on Saturdays between 2 pm and 4 pm. A certain level of aerobic fitness can be maintained by completing the individual event requirements. The total number of swims that can be completed is 62 - broken down into:

- 25 individual 400m swims; 25 individual 800m swims
 - 3 by 1500m swims; 3 by 30 minute swims
 - 3 by 45 minute swims; 3 by 60 minute swims

Darling Range Sports College has an excellent pool for endurance swimming. So if you want to keep up your aerobic fitness in the pool come down and get started!!

FROM RACHAEL COOPER AT THE NATIONALS 2014 IN ROCKHAMPTON.

I entered 6 Pool events and 5km open water,
ended with 3 gold 3 silver and a 4th and a state Record in the 200 Breaststroke.
I had a blast meeting new people and catching up with old friends.
Here are a few shots action and after racing fun .

Club Member Marilyn Potter and her husband Graham, waving to Andrea and Gwyn as they passed each other on their respective cruises up and down the Rhine. Andrea and Gwyn Williams finishing their cruise as Marilyn and Graham started theirs.

The pictures below from Spain explain why there is no president's prose this month.

Watch out next month!

Kate :)

"That doesn't look like Gwyn on his horse and I can't work out which beautiful senorita is Andrea?"

After the States on Saturday a few club members dropped in on Garry Lymn who is now well on the way to recovery.
Unfortunately there may have been a bit of something on camera lens,

but you can still see how happy he was to see us!!
